

LIVES CHANGED

Similar to the rest of the world, David's Courage has had a year of resilience, revival, and embracing our blessings a little tighter than before. Our newsletter shares with you our 2021 journey and as always, our hope is it will **Inspire Courage**.

Four men baptized

We volunteer two times a week at Bread of Life

We volunteered at all the Food Bank of America distributions in Plymouth

New skills learned:

- maintenance
- printing press
- woodworking

Four men will complete a CNC course next month

During our Fall event we sold out of the beautiful cutting and charcuterie boards

our guys made

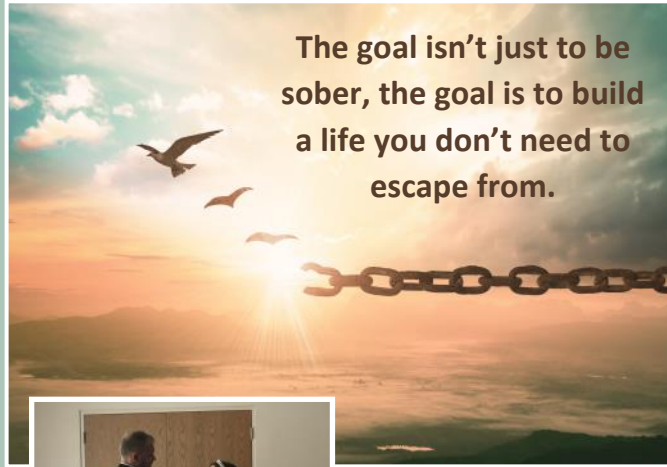

→ \$11K in 11 Days ←

In our program, the first 30 days a client does not work outside of our home in order to focus on his addiction and get acclimated to the program. So what do we do when we receive a phone call "I want help but I don't have the \$850 every month to pay for rent?"

We see it all too often - someone will arrive at our home with only a few articles of clothing and the desire to live without addiction. Fortunately, we do not have to turn them away as we have a scholarship program that will assist those individuals for a few months.

\$11,000 will cover the cost for four men for three months as they get settled, look for employment, and the take necessary steps to reacclimate into the community.

If you are inspired to support our scholarship program, please donate towards our **\$11K in 11 Days** starting December 1st through the 11th.

The goal isn't just to be sober, the goal is to build a life you don't need to escape from.

One father walked his daughter down the aisle after years of being estranged

A few 2021 updates:

- Over half of our guys have full-time employment
- It took three turkeys and lots of side dishes to feed our crew for Thanksgiving
- We now offer Moral Recognition Therapy classes
- All of our new men have graduated Intensive Out Patient class
- We offer Alcoholics Anonymous classes twice a week
- Our guys started an Narcotics Anonymous class which they are leading once a week
- We have 11 mentors for our men - but can always use more
- We doubled the size of our garden
- We have several happy squirrels
- Approximately 400 people attended our Fall event and gave our guys hope they have a community who loves and supports them

Wishing you a Merry Christmas and Happy New Year!

If you are inspired to support our mission, please send a check to **David's Courage, 10924 Lincoln Hwy, Plymouth, Indiana 46563**. You can also donate online at www.davidscourage.com/support. At the bottom of the page click **Donate Online**.
